## Are you curious? Interested? Already deeply engaged?

*Every month, the Cities for CEDAW Civil Society Organizing Team offers an opportunity to connect, share, learn, and reflect on the movement to end discrimination in the United States by integrating CEDAW's standards and processes into municipal law and governance. Join one of our monthly social webinars to exchange ideas with others who are actively in implementing CEDAW at the local level and interact with CEDAW "experts" from around the country and the world. Local organizers will share their stories of success and lessons learned. You'll get some fresh ideas and leave energized and inspired.*
